Wadlata Outback Centre
Wadlata's "Discovery Centre" is a journey back in time, the story of an ancient land, its people and its treasures "down under". It is the "must see and do" before starting your journey to the Flinders Ranges & Outback. You'll discover how the region evolved, where to go, what to do and learn about the real people who explored, settled and who live there today. Open 7 days. Visitor Information, Souvenirs, Outback Tuckerbox. Get your "Pass Out" to return when you can.

Australian Arid Lands Botanic Garden
This special 500acre Garden showcases the amazing native arid flora that can be found throughout the different arid zones of Australia. Opening at 7.30am to sundown, allows you to spy on the 150 species of birds, inspect the AridSmart display or just stroll along the 12km of walking tracks to enjoy the many regional plantings. Pick up a "Walks" brochure or take a Guided Tour at 10am weekdays. Licensed restaurant, mini theatre and interpretive displays. Open 7 days.

Comfort Inn Augusta Westside
Quality accommodation all in a quiet, safe, beach side, off the highway location, just 100m from the cruise departure point. Each room has been individually fitted out to provide a stylish, yet homely feel rarely felt in motels. As well as quality accommodation you also have the option of cooked or continental breakfast delivered to your room. The adjoining hotel provides full bar & dining facilities on the waterfront.

Eco Policy
Flinders & Outback Water Cruises & Day Tours operates its entire operation to minimise its negative impact on the environment. Whilst we use the latest low emission engines, to offset our measured carbon emissions we have purchased forestry carbon offsets that meet the standards of the Kyoto Protocol. We are continually refining our practices to minimise our effect on the environment.
